Wednesday 15th December

Dear Parents/Carers,

On behalf of our full staff team, I would like to take the opportunity to thank you all for your ongoing support over this term. It has been a very busy and enjoyable one with lots of things going on.

If you came to join in with any of our celebrations over the past week, thank you. It was lovely to be able to see the children in their concerts. Our Christmas Fair last night was a great success too – thank you to everyone who came.

## Covid

As you are most likely aware, Covid cases are increasing in the area and Government guidance is changing regularly. At school, we have had very few cases, but please make sure you continue to follow guidance over the holidays to keep yourselves and others safe.

## Staffing changes

As we break up for the holidays, we are saying goodbye to a couple of members of staff. Mrs Allen, who has taught many of our children in school when they were in Foundations Stage, is moving to work in another school after working at Hexthorpe for over 5 years. Mr Marshall, who has taught most of the school as our Sport's Coach, is leaving to start a different career. I know that you will want to join with us in wishing them lots of luck and best wishes in the future. Mrs Levitt will be joining the Foundation Stage team for the spring term and Mr Lewis will be joining us as our new Sport's Coach in January.

## Communication

Last week, our Astrea app changed – you will have received information on how to download the new 'My Child as School' app. This is how we will send any messages to you, so please make sure you have registered with this.

On **Friday this week**, the children will be having an end-of-term party in the classes. Children can come to school on Friday in **non-uniform** for this.

We wish everyone a lovely holiday. All children **return to school on Wednesday 5th January** (Tuesday is closed for children as it is an INSET day).

Kindest regards,

Mrs J Harrison  
Principal
