Statement of Intent

Within Astrea Academy Trust the Board of Trustees, via the Astrea Executive and the Principal of Hexthorpe Primary School, are responsible for:

- Ensuring the Trust meets its responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees and ensure their work does not adversely affect the health and safety of others (including: pupils, visitors, contractors etc.). Details of how this will be achieved are given in this health and safety policy.
- Providing sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.
- Ensuring that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.
- Where necessary seeking specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Board of Trustees, Astrea Executive, and Principal of Hexthorpe Primary School require the support of all staff to enable the maintenance of high standards of health and safety in the school's activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.

Organisational Structure and Responsibilities

Responsibilities of the Astrea Board of Trustees:

- Ensuring all Astrea schools comply with the Trust's Health and Safety Policy and arrangements.
- Ensuring all schools have formulated and ratified the school health and safety statement and health and safety plan.
- All Astrea Schools have access to health and safety competent advice as stated in Regulation 7 of the Management of Health and Safety at Work Regulations.
- All school sites and premises are maintained in a safe condition and that appropriate funding is allocated to this area from school budgets
- Schools prioritise action on health and safety matters where resources are required from the school budget. Any hazards which the school is unable to rectify from the school budget must be reported to Astrea's Estates Team.
- Health and safety arrangements are regularly reviewed (minimum annually) and new arrangements are implemented where necessary.
- Promoting high standards and developing a positive culture of health and safety within all Astrea schools.
- Employees have necessary competence to conduct their duties in relation to health and safety matters.
- Risk assessments are completed and recorded of all the schools' work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- The statement of intent and other health and safety documentation is drawn to the attention of all employees.
- All schools conduct active and reactive monitoring of health and safety matters in their school.

Responsibilities of the Principal

The Principal is responsible for:

- The day to day management of health and safety matters in the school in accordance with the health and safety policy and ensuring the health and safety arrangements are carried out in practice.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- Conduct active and reactive monitoring of health and safety matters in the school and remedial action is taken (where necessary) to reduce risk.
- Information regarding health and safety matters will be communicated to the relevant individuals.
- Identify staff health and safety training requirements and make arrangements for provision.
- Developing and/or reviewing the school annual health and safety action plan.
- Co-operating with and providing necessary facilities for trade union safety representative(s).
- Participating in the Trust health and safety auditing arrangements and ensuring audit action plans are implemented.

- Monitoring the purchasing and maintenance of equipment and materials with regards to compliance with current health and safety standards.
- Employ only competent contractors to work on the school site.
- Seek specialist advice on health and safety matters where appropriate.
- Implement formal arrangements for managing emergency situations.
- Compliance with the requirements of the Occupier's Liability Act.

Note: In the absence of the Principal these responsibilities fall to their immediate deputy.

Responsibilities of the Health and Safety Co-ordinator (must be a Senior Member of Staff)

Responsible to the Principal for:

- Attending appropriate health and safety training courses to enable them to discharge their duties effectively.
- Promoting health and safety matters throughout the school and assisting the Principal in the implementation of the health and safety policy and arrangements.
- Maintenance of health and safety documentation and associated records to ensure they remain up to date with current legislation and good practice.
- Implement a health and safety notice board and ensure it is kept up to date.
- The correct accident reporting procedures are followed and where appropriate accidents, incidents and near misses are investigated.
- Conduct routine health and safety inspections and implement a method of internal audit. A system must be in place to monitor and respond to any identified remedial actions.
- Implementing procedures for the authorisation of school visits.
- Participating in health and safety audits arranged by the Trust.
- Providing health and safety induction training for all new employees.
- Maintenance of health and safety training records including the provision of refresher training.
- Statutory inspections are completed and records kept.
- Emergency drills and procedures are carried out regularly and monitored for effectiveness.
- Monitoring contractors on site and conduct a formal, documented induction.

Note: In the absence of a designated Health and Safety Co-ordinator the above responsibilities will fall to the Principal.

Responsibilities of all Employees

All employees at the school have responsibility to:

- Take reasonable care for the health and safety of themselves and others when undertaking their work.
- Checking classrooms, work areas and equipment are safe.
- Ensure safe working procedures are followed as outlined within health and safety policy and risk assessments.
- Co-operating with the Astrea Trustees, Executive, Estates Team and Principal on all matters relating to health and safety by complying with the health and safety policy.

- Not intentionally or recklessly interfering or misusing equipment or fittings provided in the interests of safety or welfare.
- Reporting immediately to their Line Manager or Principal any serious or immediate danger.
- Reporting to their Principal any shortcomings in the arrangements for health and safety.
- Only use equipment or machinery which they are competent to use or have been trained to use.
